Dear Luigi

Thank you for inviting Malala to this very interesting and important event. We are grateful for your support of the work we do here at Malala Fund.

As I am sure you can imagine, Malala has a very busy academic schedule and receives a high volume of invitations to events across the globe, so we have to make very difficult decisions over how time is spent.

I am writing today with our apologies, as we will not be able to accommodate this in Malala's schedule. She will be in term time at her university and would not be able to take extensive travel during this time.

I hope you will understand and support this decision. We wish you every success and we hope you will continue to support us in creating a world where all girls get a free, safe, quality twelve years of education.

Kind Regards

Maria
